European Society of Human Reproduction and Embryology

June 2002

Vienna - Austria

R-634. Improve the freezing of human sperm

Morrell J.M., Tjellström H. and Holmes P.V.

NidaCon International AB, Gothenburg, Sweden

R-635. Day 5 blastocyst versus day 6 blastocyst: vitrification of human blastocysts using cryoloop

Fukunaga N., Kyono K., Haigo K., Chiba S., Ohira C. and Nakajo Y.

Kyono Reproduction Research Center, 3-8-6 Oomiya Furukawa Miyagi, Japan

ART – Cryopreservation gonads

R-636. Development of frozen–thawed human fetal follicles in immunodeficient mice: effects of cryoprotectants and transplantation sites

Orvieto R., Abir R., Raanani H., Feldberg D., Dicker D. and Fisch B.

Department of Obstetrics and Gynecology, Rabin Medical Center, 49100, Petah Tikvah, Israel

R-637. Ultrastructural appearance of human cryopreserved ovarian cortex using different protein sources

Fabbri R.[1], Iannascoli C.[1], Pasquinelli G.[2], Bracone G.[1] and Venturoli S.[1]

[1]Human Reproductive Medicine Unit, Department of Obstetrics and Gynecology and [2]University of Bologna and Clinical Pathology, University of Bologna, Italy

ART – Gamete manipulation

R-638. Effect of different preparations of polyvinylpyrrolidone on sperm, oocytes and somatic cells

Rybouchkin A., Heindryckx B., Van der Elst J. and Dhont M.

IVF Centre, Ghent University Hospital, Ghent, Belgium

ART – ICSI

R-639. ICSI success following fertilization failure

Lahoud R.[1], Ryan J.[1], Saunders D.[2], Quinn F.[1] and Porter R.[1]

[1]North Shore Fertility and [2]Royal North Shore Hospital, Sydney, Australia

R-640. Is there any effect of severe oligozoospermia on fertilization, embryo quality and pregnancy in ICSI patients?

Baltaci E., Gumuslu S., Alpas I., Erdem M., Karabacak O., Tiras M.B. and Guner H.

Gazi University School of Medicine, Center of Family Planning, Infertility and Reproductive Health, Besevler, Ankara, Turkey

R-641. Fresh testicular sperm recovery for ICSI and its implication on fertilization: a novel technique

Kamel M.A.

Department of Obstetrics and Gynecology Assiut University Hospital, Assiut, Egypt

R-642. Immediate sperm-injected oocyte Fallopian transfer in male factor infertility. Analysis of 175 cycles

Gonzalez P., Roblero L., Triantafilo Y., Salinas R., Enriquez R., Lopez M., Simian M., Carrasco I. and Duque G.

Unit of Reproductive Medicine, Clinica Alemana de Santiago, Chile

ART – Implantation

R-643. Dexamethasone to improve implantation after embryo transfer

Ezzeldin F.[2], Agameya A.[1,2], Rahman A.[2], Sallam A.[1,2] and Sallam H.[1,2]

[1]Department of Obstetrics and Gynaecology, the University of Alexandria and the [2]Alexandria Fertility Center, Alexandria, Egypt

R-644. Assessment of leukaemia inhibitory factor levels by uterine flushing at the time of oocyte retrieval does not adversely affect IVF pregnancy rates

Kadoch I.J.[1], Lédée-Bataille N.[2], Samama M.[1,3], Taupin J.L[4], Dubanchet S.[2], Chaouat G.[2], Frydman R.[1] and Olivennes F.[1,4]

[1]Service de Gynécologie-Obstétrique et Médecine de la Reproduction, Hôpital Antoine Béclère and [2]INSERM U131, Clamart, France

R-645. Day 5 embryo transfer may partially compensate for suboptimal endometrial thickness

Kazer R., Zhang X., Chen C.H., Milad M. and Confino E.

Section of Reproductive Endocrinology and Infertility, Department OB/GYN, Northwestern University Medical School, Chicago, IL, USA

R-646. Does day 3 transfer have any advantage? A FIVNAT study on 109 944 cases

FIVNAT: prepared by Barbarino Monnier P.[1], Taar J.P.[2] Sage J.C.[2], Bachelot A.[2] and de Mouzon J.[2]

[1]Service de Gynécologie Obstétrique, Maternité Pinard, Nancy and [2]FIVNAT and INSERM U 292, Hôpital de Bicêtre, Le Kremlin Bicêtre, France

R-647. Some new ultrastructural findings on human decidual glandular epithelium during early pregnancy

Demir R.[1] and Demir-Weusten A.Y.D.[2]

Departments of [1]Histology and Embryology, Faculty of Medicine, Akdeniz University, Antalya, Turkey and [2]Obstetrics and Gynaecology, Faculty of Medicine, AZTM, Maastricht, The Netherlands

R-648. Functional uterine restoration in premature ovarian failure

Letur-Könirsch H.[1,2] and Delanian S.[3]

[1]Fertility Center, Department of Obstetrics and Assisted Reproductive Techniques, Institut Mutualiste Montsouris, [2]CECOS-Necker, Necker Hospital and [3]Department of Oncology–Radiotherapy, Saint Louis Hospital, Paris, France
